### Panorama of Community Documentation

The aim of this brochure is to provide information sources to all those facing with information.

The English version is now available "on-line". It may be consulted from any workstation via Common Access Agent (CAA). If you do not yet have access via your PC, contact your Information Officer or computer department.

If you do :

- click on the CAA icon. A dialogue box requesting your login and password will appear;
- a list of options will appear. Type "49", followed by "enter" to connect;
- you will see the legend "Guide des bases de diffusion" on your screen; type "4", followed by "enter" and the directory menu will appear. Select the information you require.

Reliability of the information provided is everybody's responsibility. If you come across obsolete information, please inform Ms N. Moyson, Unit X-B-8, T120 3/3, tel. 57606, Fax 60 682.
