Coefficients correcteurs applicables dans les pays tiers Article 13 de l'annexe X du statut

La rémunération des fonctionnaires affectés dans les pays tiers peut être payée en monnaie du lieu d'affectation. Dans ce cas, un coefficient correcteur est appliqué à la partie payée en monnaie locale.

Le tableau en annexe reprend pour chaque pays, successivement la parité économique applicable au mois de janvier 1996 (calculée par l'Office statistique des Communautés européennes (O.S.C.E.)), le taux de change comptable du mois de décembre 1995 et le coefficient correcteur qui en découle, applicable au 1er janvier 1996 (règlement du Conseil n° 1783/96' du 11 septembre 1996).

Les adaptations seront communiquées dans une prochaine publication des Informations Administratives.

Annexe : 1

Weightings applicable in third countries
Article 13 of Annex X of the Staff Regulations

The remuneration of officials serving in third countries may be paid in the currency of the country of employment, in which event a weighting is applied to the portion paid in local currency.

The annexed table shows for each place of employment the economic parity applicable in January 1996 (calculated by the Statistical Office of the European Communities (S.O.E.C.)), the December 1995 exchange rate and the resulting weighting applicable on 1 January 1996 (Council Regulation No 1783/96' of 11 September 1996).

The adjustments will be communicated in a future publication of the Administrative Information.
