BRUXELLES

Commission Training Policy

The Training Unit of the Directorate-General
Personnel and Administration
invites you to the lecture by

Hazel Henderson
on
**Life beyond
global economic warfare**

Monday 25th November - 13.30 to 15.00
Guimard 10/12 - Room 0/1

N.B. No prior enrolment is required

Hazel Henderson is a global futurist, worldwide syndicated columnist, and consultant on sustainable development.

She is a fellow of the World Business Academy and advisor of the Calvert Social Investment Fund in Washington D.C. with whom she co-created the Calvert-Henderson Quality of Life Indicators, to appear in late 1996. She held the Horace Albright chair at the University of California, Berkeley and has served on committees of the National Academy of Engineering, the National Science Foundation and the US Office of Technology Assessment.

She is the author of "Creating Alternative Futures", "The Politics of the Solar Age", and "Paradigms In Progress", 1995 and coauthor of "The United Nations : Policy and Financing Alternatives" and "Building a Win-Win World", 1996.
